## How: NZ Surf Academy 'Beach Surf Safety Days'

Our main objective is to teach and develop surfing skills for children, surfing is a great discipline that feeds the mind, body, and soul. We will educate participants on both beach/surf safety and environmental awareness. This is achieved by a series of land and water based activities with an emphasis on participation and fun. The activities, lessons and games encourage good teamwork and group cohesion to provide a positive, supportive learning environment. A NZ Surf Academy 'Surf Safety Day' will include

- Full school day at chosen beach
- Surf group lesson with qualified surf instructors
- Surf Lessons will be in rotations depending upon numbers 1 ½ - 2 hours long
- NZ Surf Academy will help organise beach games for non-surfing rotations which is a great motivation and heaps of fun.
